WATERFRONT DEVELOPMENT/BELLE OF LOUISVILLE SCHOOL FIELD TRIP GUIDELINES

*** Parents should be advised that they may provide a sack lunch for their child. All bags have to be opened for inspection. To make boarding easier and faster, please put lunches in a clear Ziploc bag. If lunches are in boxes they will need to be taken out of the boxes so our crew can inspect all the bags. Individual sack lunches only. No trays of food, no big bags of chips or cookies etc.

*** Due to Homeland Security and safety policies, coolers, ice, glass bottles or any containers with screw on lids (example thermos, water bottles) **WILL NOT BE PERMITTED.** Only unopened juice boxes, Capri Sun or unopened canned beverages allowed/one per person. Please check the student's lunches to make sure the only drinks they have are unopened cans, juice box or Capri suns. If they have anything other than that listed it will be taken at the boarding ramp and not allowed on.

To help us prepare for proper consumption at our concession stand please let us know if your students will be bringing sack lunches with them.

Due to the number of schools requesting field trip reservations, final counts must be confirmed with the group sales office 7 days prior to the cruise. There will be no reduction in count after we receive this final count. The balance to be paid is established by that confirmed count. No refunds will be given after this date.

- Anyone accompanying your group, such as parents, bus drivers, teachers, or other guests must be included in your final count.
- Subject to school approval, and availability, additional tickets may be purchased at the ticket office by the school contact only. Because of child safety rules, tickets will only be sold to the school contact person.
- A member of the Belle of Louisville crew will direct the school buses to the drop off area adjacent to the boat. Buses will enter at 4th and River Road.
- Please advise anyone not arriving on the school bus to park at the public lot. There is no area for cars to park in the circle. The wharf parking entrance is at “Joes Crab Shack”, or any other public lot of their choosing. There is a parking fee.
- Students are to remain on the buses while the person in charge reports to the ticket office to pick up tickets and pay any outstanding balance, no personal checks. At this time, a Belle crewmember will board the buses to conduct a required safety demonstration and orientation.

Every passenger, including students, parents, teachers and chaperones, must have a ticket in hand to board the boat. Tickets will be taken by a crew member. Teachers should please instruct chaperones to get their tickets from the teacher. Purses and all bags need to be open for inspection at the boarding ramp.

I HAVE READ AND DO AGREE TO HONOR THESE GUIDELINES.
